PREFACE

Dear colleagues, dear friends,

we have the honor and also the pleasure to invite you to the pre-ESC meeting of the German Vietnamese Association of Cardiology (DVFK),

which will take place

August 24th, 17:30, at

Maritim Hotel in Munich, Goethestr. 7.

The **German Vietnamese Association of Cardiology (DVFK)** (President Prof. Dr. SH Nguyen) aims to support the clinical and scientific cooperation between Vietnamese and German Cardiologists.

Founded in 1997, the association has participated continuously in national and regional meetings of various Vietnamese Cardiovascular Societies (Ho Chi Minh City, Ha Noi, Hue und Nha Trang), in addition Vietnamese colleagues regularly visited our annual meeting in Braunschweig.

With the upcoming meeting we are looking forward to hearing about the unique experience of our Vietnamese colleagues in the field of congenital and acquired heart diseases.

The scientific meeting will be completed by an update on antithrombotic therapy and new data on ablational therapy in heart failure.

In addition it will be a pleasure to share and celebrate our friendship, which has grown over quite a long time.

With best regards

Prof. Dr. SH Nguyen

Prof. Dr. Rolf Engberding

Prof. Dr. V. Klauss
